

## Environment Policy

We at Zavenir Daubert recognize and believe that environmental management is one of our highest corporate priorities and are committed to continual improvement in prevention of pollution and conservation of resources as responsible stewards of our environment. We shall do so by:

Development and manufacturing of environment friendly products & solutions for our customers

Upgrading all processes, operations and practices to minimize adverse impacts to our environment.

Optimal utilization and conservation of inputs such as water, electricity and petroleum based resources.

Complying with all applicable legal and other requirements related to our environment.

Enhancing Environmental awareness through communication of this policy and imparting relevant training to our employees and affiliates.

The EMS Policy shall be displayed, made available to public on request and reviewed periodically for its suitability
